**MHS Booster Monthly Meeting**  
March 10, 2009  
7:00 pm  
MHS Distance Learning Lab (across from BBall Gym)

As a Booster Club member **YOUR IDEAS** to **IMPROVE** the Athletic experience for **YOUR** child (and all Medina athletes) will be heard. You will be in a position to make the **RIGHT** things happen.

You will be **ON THE INSIDE** and see how the Athletic Program work and influence it for the good.

You will attend Special Events that give you **ACCESS TO COACHES** and the Athletic Department.

You will **EXPERIENCE THE CAMARADERIE** that only being a part of a sports program can provide. You will be associating with parents with similar positive interest. This is **FUN** stuff!

You will be part of an **ATHLETIC RENAISSANCE** at Medina. You will be known as part of the group that built the foundation for Medina's immediate and long term success.

This is **LASTING**

This is **WORTHWHILE**

This is **MEANINGFUL** to your athlete

*The Booster Club feels strongly that parent involvement during the high school years  
can be a key to the success of the individual student.*
