

Parents of Medina High School students may now pay their school fees online using a credit card at the PayForIt webpage. This has been in used for paying lunch fees via a credit card.

This is a Pilot program and only available for payment of senior high student fees at this time. We hope to add all other schools in the future.

If you have questions, please call Debbie or Linda at the HUB at 330-636-3210.
