

Research and Presentation Reflection

- How did the research and preparation process go? Did you do what you needed to do when, how, etc.?
- Were you prepared on presentation day?
- Did you work with a partner? Why/ why not? Are you happy about this decision? Explain.
- How did researching and writing about your topic affect your understanding of the time period/ author you chose?
- What were your strengths/ weaknesses?
- What will you do in the future to improve?
